EXHIBIT A: TREE PERMITTING PROCESS

City of Atlantic Beach

Community Development Division

800 Seminole Road Atlantic Beach, FL 32233

(P) 904-247-5800

This document provides a general guide of the tree removal permitting process. For complete information on permitting procedures see Section 23-23. Please sign the bottom of this page to certify that you have read this document and understand the permitting process.

BEFORE PERMIT ISSUANCE

1. Submit Completed Application

- All trees on property must be labeled on Exhibits C and D.

2. Schedule Inspections

- All trees to be removed must be labeled with red or orange tape or ribbon and numbered per Exhibit C.
- If there is construction on property, a barricade inspection will also be done at this time.

Call for more information at (904) 247-5822.

3. Mitigation Assessment

- Mitigation shall be in the form of preservation or relocation of existing trees, replacement with new trees or payment into the tree fund. See Section 23-33 for more information.
- Staff will review the trees proposed for removal and send the applicant a Tree Permit Calculations sheet which outlines mitigation that is owed.

4. Proposed Mitigation Replacement Plan

- Submit a mitigation replacement plan within 30 days of receiving the mitigation calculations.
- The proposed plan must include a site plan, proposed species, and size(s). Plans must account for all inches owed.

• A MITIGATION PLAN MUST BE SUBMITTED AND APPROVED PRIOR TO REMOVAL OF IDENTIFIED TREES.

AFTER PERMIT ISSUANCE

5. Permit Issuance

- When the permit is approved, staff will place a sign in the yard and contact the applicant. This sign must remain until the permit is finalized.
- If paying for mitigation, payment must be made within 7 days following the issuance of the permit.

6. Mitigation Replacement

- Replacement trees must be planted within 30 days of permit issuance or prior to issuance of a Certificate of Occupancy or Certificate of Completion.

7. Final Inspection

- After trees are planted and/or construction is complete, a final inspection must be scheduled.
- Trees planted, preserved and relocated must survive three (3) years following the date the permit is finalized.
