* 1. Atmosphere, People and Environment (Choose 2)

- [ ] Hometown feel is charming, residential, small-town spirit

- [ ] Defined by our natural beauty, nestled between the marsh and the beach and shaded by a tree canopy

- [ ] People are welcoming, genuine, diverse, inclusive, neighborly and respectful

- [ ] Our city's safe neighborhoods, parks, active lifestyle and socially connected community support all generations from young families to those who are aging in place

- [ ] People are diverse and they share common concerns for neighbors and neighborhoods

* 2. Green infrastructure (Choose 2)

- [ ] Citizens are committed to green, energy efficient, and sustainable practices in their homes and businesses

- [ ] Government and citizens are committed to the preservation of the beauty and function of our natural assets: beach, wetlands, and tree canopy

- [ ] Modern, eco-conscious parks and green spaces include amenities and active spaces that serve all ages

* 3. Grey infrastructure (Choose 1)

- [ ] Government is prepared for changing environmental impact and sea level rise on our local infrastructure: stormwater management, drinking water supply, power grid, roadways, and public safety and other critical facilities

- [ ] Pedestrian-friendly neighborhoods are accessible and connected by safe, shady streets and bike paths from beach to marsh, north to south

- [ ] The limited public parking supply is convenient, delineated, safe, affordable and well-integrated into the transportation system

* 4. Development (Choose 1)

- [ ] Prudent and thoughtful development respects community character

- [ ] Low density residential neighborhoods

- [ ] Residential neighborhoods that provide a wide range of housing opportunities for every demographic

* 5. Business (Choose 1)

- [ ] Continued development of dynamic business districts along Atlantic Boulevard and Mayport Road corridor

- [ ] Promote locally owned businesses that provide employment for local residents

* 6. Government (Choose 1)

- [ ] Citizens and government care about community character and understand the collective action required to preserve it

- [ ] Smart city, model community gets out in front of problems

- [ ] Government is open, transparent and responsive to the citizens
