Most of those themes the city has no business as a local small municipality to offer. of dilapidated deferred maintenance building that they have not kept up with, Why procure another building to maintain with no immediate need, while others continue to deteriorate. All of these idea could be house in existing buildings that the city already owns and does not maintain ,

54	Why is the city looking to buy this property when there is clearly no need? Large majority of all ideas listed are not necessary or feasible for a city to run. Makes zero sense. Waste of tax dollars.	3/27/2024 9:51 PM

61	We really need a community pool. This is Florida, we need a pool like so many other communities have. For a great example, check out the community parks and rec in Largo, FL. They have a family aquatic center, indoor and outdoor playgrounds, fitness center with classes and summer camps <a href="https://www.playlargo.com/facilities/highland_recreation_complex/index.php">https://www.playlargo.com/facilities/highland_recreation_complex/index.php</a>	3/27/2024 9:39 AM
62	There is not a 911 need for the Almost Home facility. We are just trying to find a purpose that justifies the \$1.3 million dollar purchase/repair/renovation. We do not need another building that requires additional City headcount to manage, run and maintain. When giving us options to rank, there should be a dollar amount and an idea of ongoing expenses for your top 5 ideas. An indoor swimming pool would run what \$500 a day at 350 days a year= \$175,000-ish, plus the need for lifeguards, the high risk insurance, staffing and maintenance? If you want us to rank things, then tell us \$\$\$\$. Is there anything at all that would prevent a different Mayor or City Manager or group of Commissioners from deviating from the intent of this building, if purchased? Make it a homeless shelter? If you buy this building, be very specific with zoning and lease it to a non-profit organization that serves the greater good of the community and that will be managed and staffed by the non-profit itself so we don't add even more headcount and more expense to our budget. Look at our current city employee headcount to AB household ratio. We do not need another dog themed anything nor another playground, splash pad, etc. Think health and wellness for all. We do not have much for adults but plenty of parks and playgrounds for kids and dogs. Peace and joy and safety for ALL.	3/26/2024 9:57 PM

65	Tear it down for parking, we don't need a 4th community center in a city our size.	3/26/2024 12:50 PM

5	Controlling safety	5/21/2024 9:22 AM
6	Not needed. Adele facility seems to have plenty of time open for reservation and is not fully utilized. Spend the funds on acquiring properties and turning those into mini parks so development slows.	5/20/2024 8:58 PM
7	The people the city hires and how well they're taken care of by the city. It's almost always about people.	5/20/2024 5:25 PM
8	City staff spread too thin- or having to pay more people to do all the work that comes with it, ending in higher property taxes for everyone.	5/20/2024 2:05 PM
9	None, I think it's a great idea. Just needs to be advertised to the community once available.	5/20/2024 9:38 AM
10	My only concern is to keep it safe, clean, etc., but that will largely be up to us - the public users. That area has not been very attractive, largely because of Singleton's mobile home park, but I love the idea of turning it into a community center. I live near there and would use it and help care for it. I also think it's good timing, with more young families on this side of AB who would probably also use it and help care for it.	5/19/2024 2:53 PM

Also think minimal Active Adult programs, as these are the working/very busy group so I feel participation would be less then children or seniors.

26	that it becomes a pit where vagrants and loiterers hang out and a waste of money. Either do something useful or don't do it.	5/10/2024 7:00 AM
27	Do don't want it to turn into a homeless camp.. don't want Atlantic beach to turn into Jax beach! Have Donna deagan set up a homeless shelter next door to her house.	5/7/2024 11:26 PM
28	That we will not put the proper focus on it	5/6/2024 8:18 PM
29	Cost of maintaining, but the community is growing and we need to expand the city services to continue to make AB the kind of town we all love.	5/5/2024 9:30 AM
30	That it won't be used. The Adele Grage is empty many more hours/week than it's used. It's too expensive to rent. Find partner organizations to help with operations of city staff can't oversee programs all day— maybe partner with the Neptune Senior Center staff for help & coverage, and another entity for other age groups	5/5/2024 8:13 AM
31	Attracting petty crime and vandalism to area. Follow on funding to maintain.	5/4/2024 3:06 PM
32	None, we need them but must be run well, and fairly utilized by all members of the community	5/2/2024 5:28 PM
33	My concerns mainly hinder on anything that will become an exponential financial burden to the city such as a community pool.	5/1/2024 5:31 PM
34	Does the expense justify the activity? Very concerned that there was no definite plan for the usage before purchase- indicates that it was not justified	5/1/2024 4:04 PM

38	I like the idea of being able to offer the community more accessibility to services, classes for young parents and children to seniors with a very active schedule in a different area of AB.	5/1/2024 6:56 AM
39	See above comment. Just keep adding maintenance and expense, spending money like crazy and don't fix what needs to be fixed.	5/1/2024 5:09 AM
40	Spending too much money and raises taxes	4/30/2024 8:44 PM

54	City liability, upkeep and maintenance	4/15/2024 6:28 AM
55	—	4/13/2024 9:52 AM
56	Having enough money not only to buy center but to maintain it physically and with necessary staff to run it. If it is going to be a true resource to the community then use of facility needs to remain free or very affordable and not rely on high cost rental fees to cover expenses. The metric for success should be high use of facility and make upkeep part of annual city budget	4/13/2024 9:15 AM
57	Why don't yall worry about our current parks, AB baseball program and saving ABE??!!! Make THOSE BETTER, then I'll consider you all spending my tax dollars on this!!!	4/12/2024 1:29 PM
58	Restrict usage to COAB residents only. With close proximity to Neptune Beach and Jacksonville just across the bridge, the center could quickly be overwhelmed and inaccessible to COAB residents.	4/11/2024 3:33 PM
59	We already have the Adele Grage, the center on Frances St and Gail Baker. Let's fully utilize the ones we have before opening another. How many do we really need?	4/11/2024 1:35 PM
60	With Gale Baker so close how can it be different to meet varying needs.	4/11/2024 1:09 PM
61	More costs e.g. higher taxes! And if facilities not the right fit for our community, potential for blight instead of improved quality of life.	4/11/2024 1:00 PM
62	The resources it would take to support this for the future and how that might impact our living expenses	4/11/2024 12:57 PM

73	I would not like a facility that offers services that attract homeless people.	4/1/2024 12:51 PM
74	None - it will be a good addition.	4/1/2024 10:31 AM
75	I have concerns for safety- it could be a potential target for thieves - we would need security.	3/31/2024 1:26 PM
76	none, we need a community center on the westside of Mayport Road	3/29/2024 10:52 AM
77	That it won't be used for its intended purpose if there is not a sufficient use and plan.	3/28/2024 1:41 PM
78	Waste of money already have enough	3/28/2024 3:44 AM
79	Cost and lack of use	3/27/2024 10:44 PM
80	We do not need it. We already have so many underutilized community centers within AB. This is Ellen Glassers pet project. She loves to spend the city funds on shiny objects but neglects necessary maintenance on other places.	3/27/2024 10:28 PM
81	The other community centers are not over capacity and exhibit extreme deferred maintenance and upkeep. There is not one consolidated idea for use for this building, it's more tax payer waste.	3/27/2024 10:09 PM

1	I think seniors will use this more than other adults. I love the idea of outdoor pools picnic tables meeting facilities and Learning Centers for all	5/31/2024 5:08 PM
2	Thank you	5/29/2024 7:26 PM
3	The survey is excessively open-ended and non-specific. It's also very difficult to utilize. The construction of this survey is so unfriendly that I suspect it was intended to be discouraging to try to utilize. I think it is difficult to understand and to utilize.	5/25/2024 9:32 PM
4	The Gail Baker community center is due for an upgrade the children are our future please allow them to expand the building for the teens that are there. I am a parent in the community and would like to see the building expanded and im pretty sure if Ms. Gail was here to see it she would love it.	5/21/2024 12:24 PM
5	Gail Baker: teens, young adults Almost Home: older adults, veterans, people with disabilities	5/20/2024 10:46 PM
6	Both properties should have activities for kids under 18, whether after school or Saturdays	5/20/2024 5:25 PM

8	Thank you for asking the community! Good luck!	5/17/2024 11:24 AM
9	The boys and girls club . My children attend the community daily the center should be expanded for the children in the community. The use the building on the daily basis so expanding the building will allow more programs to be offered to them. Its is long over due . The director at Gail Baker community center Jelisa does an awesome job keeping the teens involved in community service and all sorts of activities to keep them out of trouble. Please give the teens what they deserve ! thank you !	5/14/2024 12:27 PM
10	Hope y'all have fun coming up with ideals to make the best of our little city!!	5/13/2024 8:58 PM
11	Do not buy , roll back taxes	5/5/2024 12:37 PM
12	Our community is aging and new young folks are arriving daily. We need activities that seniors can enjoy and families can enrich their children also	5/2/2024 5:28 PM
13	More WiFi for All	5/1/2024 10:54 AM
14	DONT DO IT.	5/1/2024 5:09 AM
15	I don't really know the most pressing needs of the community. This space should help meet the needs.	4/30/2024 10:48 PM
16	A picture and map would have been very helpful in reviewing the property to suggest future use. Try adding those features to future surveys.	4/30/2024 2:59 PM

18	Would love to have the Almost Home Beaches building turned into a community center that the marsh side of Atlantic beach residents can safely bike/walk to. Crossing plaza road can be very dangerous due to the lack of "stop on red" for turning vehicles.	4/25/2024 1:32 PM
19	Consider the community around these two places and make decisions that will enhance the value of the properties and their citizens.	4/23/2024 8:55 PM

21	Aim for AB community centers to be active, thriving, "third places" that AB residents want to be a part of and attend regularly. Third places should be readily accessible and	4/13/2024 9:15 AM

accommodating, meaning they are conveniently located (ideally within walking distance of your home), and they have long hours with no reservations needed.

22	Why don't yall worry about our current parks, AB baseball program and saving ABE??!! Make THOSE BETTER, then I'll consider you all spending my tax dollars on this!!!	4/12/2024 1:29 PM
23	Glad to see AB is moving on these improvements, and proud of the City for doing this work.	4/11/2024 3:33 PM
24	AB does not need each and every park/facility to offer comprehensive things... Hoping the plan provides a cohesive and integrated total AB view that maximizes the potential for each facility AND creates higher quality of living for all, at minimal additional operating costs.	4/11/2024 1:00 PM
25	My idea is to have this property "Almost Home" used as a multi-purpose center to include a community center for the Marsh Oaks community. The Gail Baker Community Center is too far for the young elementary children to walk to, especially when there is lack of safe sidewalks to travel upon. Having a community center which offers after school help and tutoring will aid the area children become better students, give them an opportunity to grow..... all with a closer accessible location. My idea is to have an office for a Veteran's Resource Center, a place where local veterans can find the necessary resources/benefits available and obtain help accessing them without having to go downtown. Veterans rarely ask for help but if there was a place like this available, they could come in to get some help and perhaps we could help save a few lives! It could also be used as a senior center for our elderly citizens. Have classes and activities! Not all our senior citizens can get over to Neptune Beach!	4/11/2024 12:31 PM
26	Please consider changes to Dutton Island Rd to reduce the speed of traffic around the community center. Unfortunately there is big issue with bad drivers on that road.	4/4/2024 6:39 PM
27	I appreciate the City of AB thoughtfulness in gathering information before moving forward with new projects. In addition, I would like to challenge Atlantic Beach to set the example to other cities on the importance of providing opportunities for all individuals with disabilities.	4/3/2024 6:59 PM
28	Provide total cost of all projects, property origination cost, rehabilitation of property, maintenance, staffing, long term upkeep and publicize prior to putting up to vote for approval at local election. How the projects and centers will be funded now and in the future.	4/1/2024 4:08 PM
29	both can be used to bring kids and our elderly, veteran, and special needs community together for positive interaction opportunities. giving kids a chance to get positive role models they might not otherwise have in their lives and a chance to have a safe place to play and learn.	4/1/2024 3:18 PM
30	We should definitely buy this while we have the chance!	3/31/2024 1:26 PM
31	none	3/29/2024 10:52 AM
32	It is a mistake for the COAB to purchase the Almost Home Beaches building. The majority of citizens do not want city funds to be spent on this. There are rumors of Ellen Glasser promoting the idea of turning this building into a homeless shelter. She is greatly mistaken if she thinks AB citizens will back her on this. As usual she has no clue what the majority of citizens want. She only cares to look good for a handful of her supporters.	3/27/2024 10:28 PM
33	Do not buy the almost home property	3/27/2024 9:51 PM
34	Best case scenario-all community centers will have secondary role as resiliency center hub. Minimum requirement is one per district. As secondary role they should not have been be considered in above rankings as hopefully we will never need to use them. In the meantime between now and never they can support other community needs.	3/27/2024 3:55 PM
35	these are great ideas and is a need to expand programming, but with expanding, staffing these programs/centers (planning, implementing, organizing, etc.) is a need as well	3/27/2024 3:47 PM
36	This is an opportunity that can't be passed up. There will never be this chance again to have a facility next to a park.	3/27/2024 1:29 PM
37	No more pickle ball. We have enough already.	3/27/2024 10:15 AM
38	If the community had a large outdoor pool it would get tons of use. Also, indoor and outdoor playgrounds for children and a fitness center. Please check the city of Largo, FL for great examples.	3/27/2024 9:39 AM
39	We must focus on the necessary items first and foremost. Is this necessary. That should be the first question asked and the second question should be, How much all in and ongoing.	3/26/2024 9:57 PM

Maybe a love project or 2 a year depending on cost/budget.

40	It should have ample security	3/26/2024 8:40 PM
41	Spend the money at Gail Baker, forget Almost Home. Add parking at Gail Baker and expand the existing facility.	3/26/2024 12:50 PM
42	The Kitchen needs help! Look at the design of Adele Grage's kitchen. It should open up to the main room.	3/26/2024 11:46 AM
